

TOWN OF SARATOGA
BUSINESS PERMIT ORDINANCE

The Town Board of the Town of Saratoga, Wood County, Wisconsin, do hereby ordain a business permit ordinance.

All businesses operating within the political boundaries of the town of Saratoga as of the effective date of this ordinance will be required to submit a business permit application. The Town will send the appropriate form to all such business owners with a letter of explanation. No permit for such a business will be denied, unless the permit application has not been appropriately completed and returned. Resident business owners of existing businesses will be required to return their application to the Town Clerk's office within thirty (30) days of the date in which it was sent. Failure to do so may result in the Town Board taking action to revoke said business's privilege to conduct business within the Town. There will be no cost or fee associated with this business permit procedure. Any existing businesses that are not contacted as set forth above will have to follow the procedure for new businesses as set forth below.

For businesses that are established in the Town after the effective date of this ordinance, a business permit must be obtained from the Building Inspector or the Town Clerk and filled out and returned to the Town and approved by the Town Board before business operations commence. There will be no cost or fee associated with this business permit.

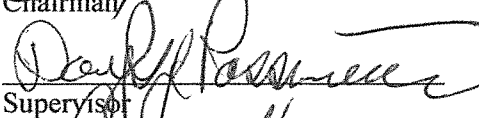

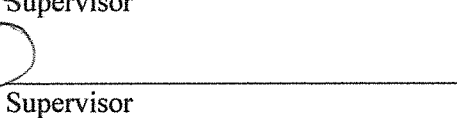

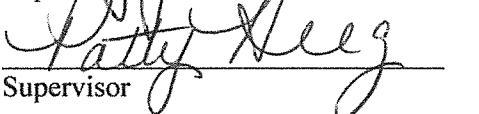

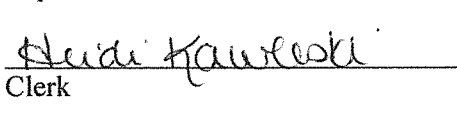

Any person violating this ordinance shall upon conviction thereof, forfeit not less than \$50.00 and not more than \$150.00 per day, plus cost of prosecution, during which this permit violation shall continue.

Failure to abide by any terms, conditions or limitations associated with such a permit, as well as the provision of Town of Saratoga Ordinance #7-3-19B may result in revocation of said permit or refusal to issue said permit.

Town of Saratoga Ordinance 5-3-99 shall be revoked upon the passage of this Ordinance.

This ordinance will become effective upon passage and publication.
