Dan Forbes opened the meeting of the Town of Saratoga Plan Commission at 6:30 PM on January 8, 2020 at the Saratoga Town Hall. The meeting was officially noticed.

Motion by Barth to approve the minutes of November 13, 2019 second by Wipperfurth, motion approved.

Wipperfurth provided the members a packet of information, containing draft copies, and a final copy of the proposed Town flag, and other pertinent information. Wipperfurth said upon approval of the proposed flag design by the Town Board, he will donate a flag to the Town. Wipperfurth suggested the town could develop a logo around the flag design, and possibly a “tag line” for the town.

Motion by Barth that the Town Board accepts the Saratoga flag and adopts the flag as the official Town Flag/logo and makes flags available for purchase to all citizens. Further the Town Chairman sends an official thank you the Gary Groenke of Design Partners, and Rick Bakovka formerly of REGI for their valuable contributions in developing this logo for the town; second by Wipperfurth, motion approved.

Forbes said there has been no progress on the NEPCO Lake access site. Emergency Government is doing the work of brushing the site. He also said he has spoken to the Historic Point Basse group about developing a walk-in landing at the end of Wakley Road, in conjunction with the Town. Discussion followed regarding permitting, signs, and also working with the Wisconsin River Power Company.

Wipperfurth questioned the status of the Camelot Motel and if the site should be razed. Forbes said it is a question for the Building Inspector.

There was a discussion regarding a vacant billboard on Hwy 13 N, located south of Powell Plumbing. The sign appears to be new construction, which requires a town permit.
