

Town of Saratoga Plan Commission, 2020

September 9, 2020

Plan Commission Members	
Dan Forbes, Chair	Dave Barth: Excused
Sarajane Snyder, Co-chair	Josh McDonald
Tom Grygo, Secretary:	Gordon Wipperfurth, Alternate

Dan Forbes opened the meeting of the Town of Saratoga Plan Commission at 6:30 PM on September 9, 2020 at the Saratoga Town Hall. The meeting was officially noticed.

Motion by McDonald to approve the minutes of August 12, 2020 with revision (delete excused for Grygo) second by Snyder, motion approved.

CSM

Forbes said CSM 9095 by Badger Land Survey Inc., shows the road dedicated to the public. Dedicating the road to the public precludes any additional land transfers.

Canoe/Kayak Landing

Wipperfurth said the Wakely group will develop the signs and path to the landing to be known as "Point Basse Blue Water Landing." He also said the Wakely group will be relying on donations and existing funds, rather than applying for a grant for development. Discussion followed regarding the bridge weight limits. Forbes said he will meet with supplier of bridge mats to discuss the option of using mats to support the weight of trucks hauling gravel across the bridge.

Forbes said there is no action on the Nepco landing at this time, with possible improvements before winter. A site plan and parking lot design have been completed.

Information from Commission Members

Forbes said Heidi had been contacted by the North Central Regional Planning Commission about updating the Town Comprehensive Plan. Forbes suggested the Plan Commission upgrade the comprehensive plan by amending specific areas of the plan.

Snyder asked about a Trump campaign sign with offensive language. McDonald said the sign owner had painted out the offensive language.
