September 20, 2021 meeting minutes approved.

Discussion continued on possible locations the SPARKS Committee may focus on. The Ten Mile Creek has always been an area of interest. We may discuss the possibilities with the DNR to determine whether it could be a direction of focus.

The Nepco Lake public access area may be a good opportunity to collaborate with our neighboring community.

We will continue discussion of possibilities for the public access area on Nepco Lake.

A short discussion took place about looking at other grant possibilities. We will be looking at Knowles Nelson in the near future.

Our next meeting will be November 15, 2021 at 6:00pm

Meeting adjourned.
