Ordinance Imposing a Moratorium on
Construction of Multi-family Residential Structures
Pending the Updating of the Town Comprehensive Plan and
Study of Possible Related Legislative Action

RECITALS

WHEREAS, the Town of Saratoga ("Town") in Wood County, Wisconsin, adopted the document entitled, "TOWN OF SARATOGA; WOOD COUNTY, WISCONSIN COMPREHENSIVE PLAN 2007-2025 ("Comprehensive Plan") pursuant to Ordinance No. 18-15-2007A;

WHEREAS, the Town is currently in the process of reviewing and updating its Comprehensive Plan;

WHEREAS, the Town anticipates that the outcomes of the process to determine appropriate revisions to the Comprehensive Plan will include direction to modify requirements under the Town's zoning ordinance as it relates to minimum lot size for new dwellings;

WHEREAS, building permits are currently required for new construction of multi-family dwellings in the Town;

WHEREAS, the Town requires time to consult with professional support to allow consideration of a range of potential regulations related to multi-family dwellings in the Town to ensure that adequate public and private facilities are available for such dwellings;

WHEREAS, the Town believes that the best and most equitable way to engage in an evaluation of the preferred means of regulating new multi-family dwelling construction is under a temporary moratorium prohibiting construction new multi-family dwellings until the process of reviewing and updating its Comprehensive Plan and for a defined period thereafter to provide the Town with adequate time to adopt changes to its zoning ordinance that are consistent with its updated Comprehensive Plan (this "Moratorium");

WHEREAS, the Town believes that this Moratorium is necessary to allow consideration of these legislative options while minimizing the need for closed session meetings of the Town Board, maximizing public engagement in this process, and promoting constructive public discourse related to this process;

WHEREAS, the Town believes that this Moratorium is necessary to avoid any unnecessary and potentially harmful race to perfect or vest rights to certain types of activities on or uses of property within the Town that may be inconsistent with the future direction of the Town identified through this process;

WHEREAS, The Town finds that the potential public benefits that are expected to arise from imposing this temporary Moratorium support a finding by the Town Board that immediate action is warranted;

WHEREAS, the Town Board wishes to impose a moratorium for only such time as is prudent and necessary to allow the Town to complete this process, and the Town Board anticipates that this can be completed within approximately eighteen (18) months;

WHEREAS, The Town finds that the moratorium imposed under this ordinance is not subject to Wis. Stat. s. 66.1002 because the moratorium is not a "development moratorium" as that term is defined in that statutory section because it is neither a moratorium on rezoning nor a moratorium on land division; and,

NOW, THEREFORE, in consideration of the above Recitals, the Town Board of the Town of Saratoga ordains as follows:
