Saturday, September 7, 2024

8:00am-12:00pm

Saratoga Town Hall

1120 State Hwy 73 | Wisconsin Rapids

Clean Sweep Guidelines

- Place containers so they won't shift and/or spill.
- Line the transport area in your vehicle or place chemicals in a plastic bin to contain any spills in case of an accident.
- Materials should be properly identified in their original containers with original labels.
- Unknown materials can be brought in, but may be refused if the waste hauler cannot dispose of it, or if disposal costs are excessive.
- Do not mix substances together! Doing so can be extremely dangerous!
- Each household may bring up to, and no more than, five gallons of liquid or 50 pounds of solid waste.
- If your volume of unknown materials exceeds five gallons or 50 pounds, contact Veolia at 262-875-7014 in advance to make required special arrangements.
- Agricultural pre-registration is mandatory for quantities over 200 lbs.

Examples of Accepted Items:

Automotive: brake fluid, degreasers, ether, fuel, transmission fluid
